

RURAL ELECTRIFICATION MEETING AT MELVIN HALL ON MONDAY, JANUARY 26

Farmers west of Didsbury are endeavoring to have rural electrification lines installed in an approximate area extending west of Didsbury to the Little Red Deer river, north to connect with the line to the Westerdale hall, and south to the Carstairs line.

To get the project started arrangements have been made with Mr. F. T. Gale, superintendent of Rural Electrification for the Calgary Power Company, to address a meeting in the Melvin hall at 2:30 p.m. on Monday, January 26th, when the proposed plan of a rural electrification co-operative will be explained to those present.

As this meeting will have an important bearing on the installation of rural electrification lines in the territory west of Didsbury, it is hoped that every farmer will attend so that the project can be fully discussed.

DIDSBURY IN THE FOR HOCKEY LEAGUE LEAD

With almost half the games in the regular schedule of the Rosebud hockey league already played, the Didsbury seniors find themselves sharing first place with Crossfield, each team having a total of eight points. In six games played Crossfield has won four and lost two. Didsbury has four wins against one loss, and if they should win their next assignment will have a two point lead with the same number of games played.

Complete standing of the league is as follows:

Team	W	L	T	P
Didsbury	4	1	0	8
Crossfield	4	2	0	8
Carstairs	3	2	0	6
O.S.A.	2	1	5	5
Cremona	2	1	3	5
Olds Elks	2	4	0	4
Bowden	1	5	0	2

WESTCOTT NEWS NOTES

The newlyweds, Mr. and Mrs. Baudistel, were surprised last Tuesday night by a large crowd of their friends, who came out to charivari them, and all reported having a wonderful time.

We hear that Victor Nevada, the son of Mr. and Mrs. A. Nevada, fell off his pony and broke his arm. We wish him a speedy recovery.

Mr. Clarence Reinhardt visited his father at Ponoka one day last week. The elder Mr. Reinhardt will celebrate his 93rd birthday on January 12th.

Mrs. Ruth Goetjen was a Calgary visitor on Monday.

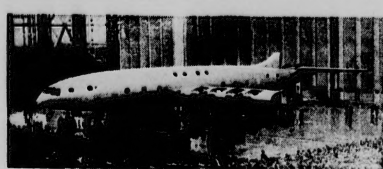

The Scouts, Cubs and their Scoutmaster, Mr. Jack Robertson, had a really big day Saturday last. They played a game of hockey and then hiked along the creek bank for a supper in the great outdoors. They ended the day's activities by holding a meeting at the Westcott school in the evening. The boys came home tired but satisfied that it was really a great day.

A good crowd turned out last Friday to enjoy the skating on the Westcott rink. With the lighting system now installed it is an ideal place for an evening's entertainment and is proving very popular with everyone.

BRITAIN'S LARGEST LANDPLANE

The Brabazon, the 126 ton aircraft named after Lord Brabazon of Tara, the first man in Britain to gain a pilot's license, is the largest landplane in Britain. This Bristol 167, which has a wing span of 230 feet and fuel capacity of 13,000 gallons, has been designed for non-stop flights between London and New York, but the prototype, which has eight coupled piston engines, is to be used only for experimental flying. Later versions will be fitted with eight air-curve turbine engines and carry some 70 to 80 people in bunks or 120 in seats.

Will Place 'Hill' Signs On M.D. Mt. View Roads

Reeve Fox was in the chair and Councillors Metz, Roedler, Goetjen, Dodd, Nidrie and Haag were all present at the meeting of the Council of the Municipal District of Mountain View No. 49 held in Didsbury on Monday, January 12.

Approval was granted to one old age pension application, and Council was advised that one old age pension application had been granted by the Department.

A communication from the Department of Public Works advised that all road grants had been passed for payment.

Cancellation was made of a road diversion on the N.W. 21-28-3-5 south of Dog Pound.

The secretary was instructed to have a road survey made on the N.W. 7-29-27-4, east of Crossfield.

A grant of \$125 was made to the Carstairs Fish and Game Association for 1948, and a \$10 grant was made to the Alberta Educational Council to assist in its endeavor to have the provincial government assume a greater share of cost of elementary and secondary education.

A resolution was passed, adopting the same tax discount for 1948 as prevailed in 1947.

Reeve Fox, and Councillors Metz, Roedler, Goetjen and Dodd were appointed as Court of Revision.

Arrangements are being made to have "Hill" signs placed on hill sides throughout the municipality.

The annual meeting of the Municipal District of Mountain View No. 49 will be held this year in the Lions Hall, Didsbury, on Saturday, February 21st.

Accounts and pay sheets completed the business of the meeting.

BANQUET ON JANUARY 30 TO MARK SCHOOL ANNIVERSARY

The teaching staff of the Didsbury school will put on a banquet in the Lions hall on Friday, January 30th, at 7 p.m., to celebrate the 40th anniversary of the opening of the Didsbury school which was officially opened in 1908.

All trustees and teachers who were on the board or staff in 1908, and all pupils who were attending school at the time of the opening in 1908, their wives or husbands, are invited to attend this banquet. The high school pupils will have charge of the banquet and you are urged to come and visit with your old school mates.

MOUNTAIN VIEW NOTES

Congratulations to Mr. and Mrs. Leonard Hamm on the birth of a daughter during the holidays.

Wes Virginia Bruce is a visitor in Olds for the week as guest of her grandparents.

Garnet Tighe was a business visitor in Calgary on Monday.

Mr. and Mrs. Ed Liesemer, formerly of Neapolis, were visitors at Mrs. H. Reiber's home in Didsbury on Friday.

Mr. and Mrs. Barney Elliott left Saturday night for Stavelo to attend the funeral of the latter's grandfather which will be held on Monday. John Bruce took over the service station Monday in Barney's absence.

Mr. and Mrs. Ed McNeil and Mr. and Mrs. John Kohut were guests of the Phil McNeils on Sunday.

Mrs. Margaret Smith, of west Didsbury spent Monday and Tuesday at the home of Mrs. W. Shultz.

"DOCTOR JIM" TO SHOW ON JOHN DEERE PROGRAM

The noted picture, "Doctor Jim," is the feature attraction on the John Deere show to be held in the Didsbury Opera Theatre on Friday, January 23rd, at 2 p.m., sponsored by the local John Deere dealer, Gordon E. Sparks.

Besides the special feature several other interesting and educational talking pictures will be shown.

Admission to the show is by ticket only, but no charge is made for the tickets, which can be had by applying direct to Mr. Sparks.

KNOX UNITED W.M.S. ELECTS OFFICERS FOR 1948

The W.M.S. of Knox United Church held their annual meeting at the home of Mrs. Bruce Parker with a good attendance of members and visitors. A beautiful candle lighting ceremony was led by Mrs. Roy McArthur when candles were lit for the nations of the world.

The election of officers resulted in the following being elected for 1948: President, Mrs. Ruth Eckel; vice president, Mrs. Ed Ford; secretary, Mrs. J.W. Wordie; treasurer, Mrs. Roy McArthur; lunch convener, Mrs. Rold Clarke; Community Friendship, Mrs. E. Kercher; Temperance, Mrs. Bruce Parker; Christian Stewardship, Mrs. Bowman.

PEARSON-McDONALD

A quiet wedding ceremony took place at the United Church manse at 4 o'clock on Christmas Eve, when Lorraine, daughter of Mrs. Joe McDonald of Didsbury, was united in marriage to Mr. Thomas R. Pearson, son of Mrs. E. Pearson, also of Didsbury.

Rev. D. Whyte Smith performed the ceremony.

SENIOR HOCKEY TEAM DEFEATS CROSSFIELD 3-2

Crossfield hockey fans were treated to a good fast display of hockey Thursday evening, January 8th, but despite the loyal support of the rooters the local team went down to defeat before the Didsbury team by a 3-2 score.

Didsbury scored a goal in each of the three periods, Wilkins passing to Holub for the first counter, Wilkins garnering the second on a pass from Krebs, and Paul scoring the final Didsbury counter on a pass from Newton. Both Crossfield goals came from the stick of Don Stevens.

The win put Didsbury in a tie with Crossfield for top place in the league, but the locals have played one game less and if they win their next game will take over undisputed possession of first place.

Didsbury lineup: Goal, Jim Sinclair; defense, Bill Weidner, Hollis Anderson, Roy Shantz; forwards, Johnny Holub, George Wilkins, Lawrence Krebs, Billy Pauls, Bill Moon, Chuck Newton; Don LeGrand, Trev Moran, George Morash.

KITCHEN SHOWER FOR BURNED OUT FAMILY

St. Hilda's Chapter of the Eastern Star held a kitchen shower in the Masonic hall banquet room on Friday afternoon, January 9th, for Mrs. M. Hall (Lillian Thomas) who had the misfortune to lose her home and contents by fire at Inlet, Alberta, while the family were spending Christmas with her father, Mr. J.D. Thomas.

Mrs. Hall received many useful gifts from her many friends.

Fra was served and Mrs. Lynch-Staunton presented Mrs. Hall with a gift from members of St. Cyprian's church.

Mrs. Carlton Leeson assisted Mrs. Hall in unwrapping the gifts, and the guests of honor thanked those present for their generous assistance in helping her to again set up house keeping.

CALGARY TANK REGIMENT TO RESUME PARADES HERE

Parades of the Didsbury Detachment of the 14th Armoured Regiment will be resumed on Monday, January 19th. A completely new program of training has been laid out, stressing training in wireless, tank and truck driving, target shooting, ski maneuvers, and sports. Rifle and squad drill will be cut to a minimum. Social functions will also be included.

All present members are asked to attend this reorganization as discharges will be granted to those unable to continue. As there is room for new men over 17 years of age all those interested are invited to attend.

Parade will be held in the Lions Hall on Monday, January 19th, at 8:00 p.m. sharp. Dress—uniform, if possible.

27 Rinks Playing in Didsbury Curling Club Annual Bonspiel

LADIES' SPORTS CLUB TO HOLD SKATING PARTY THURSDAY

The Ladies' Sports Club held a meeting on Monday night and decided to have a skating party on Thursday evening, January 15th. Following skating members will be the guests of Miss Mary Tams for lunch. All members are asked to attend this skating party.

M. MCCOY RINK WINS MAIN EVENT IN LADIES' BONSPIEL

The annual bonspiel of the Didsbury Ladies' Curling Club was held last week, and while warm weather held up curling Tuesday, the bonspiel was finally completed Thursday, with fourteen rinks entered in the play.

Rinks entered in the bonspiel were: Murdoch, Crossfield, Morgan, Gilrie, M. McCoy, D. McCoy, Epp, Platz and Alden, Didsbury, Irving, Calgary, Day and Goodfellow, Carstairs.

In the main event M. McCoy of Didsbury won first, Alden, Didsbury, second; Murdoch, Crossfield, third, and D. McCoy, fourth.

In the secondary event Irving of Calgary won first; Gilrie, Didsbury, second; Platz, Didsbury, third, and Day, Carstairs, fourth.

In the consolation event Goodfellow, Carstairs, won first; Morgan, Didsbury, second, and Epp, Didsbury, third.

GOOD WELL AT BUTTE FOR WATERWORKS

Bill Moon has completed drilling at the new town well on the Butte and Tuesday reported that an exceptionally large flow of water had been secured.

The well was drilled to 318 feet and water rose to within 150 feet of the top. On a balling test the well showed 1400 gallons to the hour, without lowering the water level.

The water is soft and no gas was encountered.

The well will be used to supply water for Didsbury's new waterworks system which is expected to get under way this spring.

OLDS RINK REPRESENTS DISTRICT IN BRIER PLAYOFFS

With rinks from Crossfield, Carstairs, Olds, Aldrie and Didsbury taking part, the district play downs in the Macdonald Brier curling event were held at Crossfield on Friday, January 9th. The Hubbs Gooder rink of Olds made a clean sweep of the round robin series by winning all their four games and will represent this district at the final provincial playdowns. The Didsbury entry was skipped by Fred Platz, with Harvey Gilrie playing third, Lee Leonard second and Emil Dupont Sr. lead.

It was quite a tall order to provide traditional and hearty Christmas dinners for the thousands of guests registered in the Canadian Pacific's coast-to-coast chain of hotels, and judging from the picture of the banquet at the Chateau Frontenac in Quebec City, presided over by chef de cuisine Louis Ballera,

(right), and his assistant, Frank Toro, the C.P.R. did not slip up on the job. Turkey headed the list of food ordered—7,500 pounds, or over three tons of it—followed by 2,775 pounds of beef, 495 pounds of pork, 1,775 pounds of plum pudding, 665 pounds of fruit cake, 355 pounds of mince meat and 315

pounds of nuts. Three thousand pounds of turkey went to the Royal York in Toronto, the Palliser in Calgary's cattle country ordered 1,500 pounds of beef and the Cornwallis Inn in Kentville, N.S., planned for 75 pounds of lobster. Ten suckling pigs were on the menu at Victoria's Empress Hotel for the Christmas pageant of Old England.

The annual bonspiel of the Didsbury Curling Club got away to a good start on Monday morning under ideal ice conditions, and 27 rinks have been entered in the two main competitions, 13 being local rinks and 14 outside rinks.

Local rinks entered are: Morris, LeGrand, Worrie, Cassidy, Reiber, Platz, Hesleton, H. Gilrie, Esler, Klein, Krueger, Cailhness and McCoy.

Out-of-town rinks entered are: Watt and Becker, Crossfield, Amundson, Kemp, Bothas, Paul and Miller, Olds, Tippe, Cremona; Lee, Arsy, Liesemer, Edmundson, B. Day and C. Day, Carstairs.

Two main competitions are being held this year, the Grand Challenge and the Rosebud, and many interesting games have been played so far in the bonspiel.

MRS. G. FORD ENTERTAINS WESTCOTT W.I. MEMBERS

The Westcott W.I. met at the home of Mrs. Gordon Ford on Thursday, January 8th, with fifteen members and four visitors present.

Roll call was answered by reading a poem, and the payment of dues, which were set at \$2.00 a year, instead of \$1.00.

The financial report for 1947 was read and showed that the Westcott W.I. had a very busy and successful year.

A letter was read by Mrs. McFarlane from the corresponding Institute in Norham, England, wishing the W.I. members a very Merry Christmas and a Happy New Year, and each member here received a Christmas card from the members of the Norham Institute.

The aprons for the contest next month are to be made of any material and any style. The secretary is to choose some good seamstress to be the judge, as Miss Anderson of Red Deer is unable to attend the February meeting as previously planned. These aprons are to be kept for the bazaar in the fall.

A vote of thanks was tendered Mrs. J. Hughes for the typing of the program for this year.

"Pack Up Your Troubles" was then sung by all present.

Mrs. J. Robertson, the Constituency Convener, paid an official visit to the Westcott W.I. at this meeting. She gave a short talk on the difference between social service and social welfare. She told the members that the objective for the next two years for all Institutes in Alberta was the "Cancer Research." She also dealt with the importance of keeping the issues of "Home and Country" all together for future reference.

The "bit of fun" was taken by Mrs. J. Hughes.

Mrs. J. Robertson had charge of "Know Your Canada," British Columbia was the province this month. Next month it will be Alberta, and so on across the Dominion. These subjects take the place of the five minute educational talk which were on the program in last year.

The magazines for the hospital were handed in and four members volunteered to bring more magazines to the next meeting.

It was decided to hold a short "Scott" program at 8 p.m. on Tuesday evening, January 27th, following Burns Night. The rest of the evening will be spent in playing crokinole. Anyone having a crokinole board is asked to bring it along. Lunch will be served by the Institute members.

The next meeting of the Westcott W.I. will be held at the home of Mrs. Raymond Shantz on February 12th. And ladies, don't forget the apron contest!

THE LOCAL BONSPIEL

The annual bonspiel of the Didsbury Curling Club is on this week and the interest taken by both curlers and spectators is indicative of the enthusiasm shown in this great curlingfest of the year.

Curling bonspiels, like other forms of competitive sport, have become a recognized winter pastime in our western prairie towns and the week of the "spiel" is usually a time when curlers forget their worries and neglect their businesses to take part in the winter season's big contest.

Didsbury, like most other prairie towns, has many enthusiastic curlers who are enjoying one of their big events of the year, an event eagerly looked forward to each season, and if shoppers find stores short handed this week it is hoped they will accept the apology of curlers, who insist that once a year, at bonspiel time, curling comes first.

NATURAL GAS FOR ALBERTANS FIRST

The proposal of a Winnipeg company to build a \$45,000,000 pipe line from Calgary to supply natural gas to the east appears to be gaining some measure of success and the incorporation of the company will be asked for at the next session of the Alberta legislature.

While the incorporation of the company does not necessarily mean that the Alberta government will allow gas to be exported to other provinces, it does indicate that Alberta has a reserve of natural gas at the present time, and that its use is considered of sufficient advantage to our eastern neighbors to spend considerable money to get it.

The idea of selling gas is encouraging as regards increased income for Albertans and the Alberta government, but it seems disheartening to many residents of smaller towns to see our natural resources going to outsiders when we could use them here to our advantage.

If experts can assure Albertans that there is sufficient gas reserves to supply the province's needs for industry and household use, and still leave a surplus for export on a wide scale, then, and only then should a franchise be granted for export purposes.

With new oil fields being opened up Alberta is on the threshold of great expansion and prosperity and when gas reserves are sufficient the installation of pipe lines to all Alberta towns should be considered before the product is exported. Didsbury, Olds and Innisfail are towns on the C and E line that could be served to advantage with gas and we hope that the time is not too far distant when residents of these towns will be given the opportunity to enjoy the services which only natural gas can supply economically.

WELSH MINER DIGS FIFTY TONS IN SIX HOURS

William Williams, 27-year-old miner of Aberfan, South Wales, created a new record December 12 when he dug 50 tons, 3cwt. of coal in six hours. He had to stop because he ran out of time.

Williams has thus almost doubled the record average shift production of 25 tons 15 cwt set up by Edward Maybank, also of South Wales, a week before, working 4½ shifts. Williams next target is to haul 150 tons in five shifts. Williams used a pneumatic pick and handloaded his record 50 tons.

LETTER TO THE EDITOR

Claremont, Bells Lane, Stubbington, Fareham, Hants, England.

Editor, Didsbury Pioneer,

Dear Sir:

I should be glad if you would allow me space in your paper to say thank you on behalf of my wife and myself to the Freemasons of your town, who, I understand, are donors of the parcel which I received on the Saturday before Christmas. I was at home when the parcel arrived. The excitement was intense and the pleasure it gave us was unexpected its contents I am sure you can never understand.

In England we are not starving but we are so short of those things that go to make Christmas such an enjoyable time, and your parcel helped so much to give our children who were able to spend Christmas with us a real good time.

I feel that all those who received those parcels will feel happier and better able to face whatever 1948 may have in store for them.

Yours sincerely,

C. PETTIFER

LETTER PERFECT

A lawyer and publicist tells as his personal experience "I had a 35-page brief which I desired to have letter-perfect both in legal phraseology and print. I read the proof myself and the next 'revise' Whereupon I offered 25c for every error the shop people might find in the second proof. Within an hour they pointed out 64 and I paid them \$16.00. I then handed the proof to the stenographers in the outer office and offered them 50c for every additional error they would find. They pointed out 10 and I paid them \$5.00. I made no further effort towards prizes for errors and as a proofreader have concluded I am a better lawyer."

ZION EVANGELICAL UNITED BRETHREN CHURCH

A.J. Grams, Pastor

On Monday, January 19th, the Young People of the Evangelical United Church, Calgary, will be in the Didsbury Evangelical Church to present the play, "The Unbroken Circle." The service will begin at 8:00 p.m. This is a very fine play written by one of our younger Evangelical ministers. You will enjoy it.

On Wednesday, January 21st, at 8:00 p.m., Rev. S. Sherman will be showing the sound film, "Beyond Our Own." This film is Scriptural, Missionary and Evangelistic in nature. You cannot afford to miss it. Everybody is cordially invited to attend these services. Remember the place—Zion Evangelical Church, Didsbury, and the dates—January 19th, and January 21st.

CREMONA NEWS

We are sorry to hear that Ralph Boettger underwent an appendix operation in the Holy Cross hospital on Saturday, January 3rd. We were informed that his mother, Norma Boettger, went to Calgary a week later bringing him out of the hospital but not back to Cremona. Ralph was three years old in November.

We are also sorry to hear that young Ronny Hettinger has rheumatic fever and is now in the General hospital, Calgary. Best wishes for a speedy recovery, Ronny.

Mrs. Alvin Burkholder has been taking care of her infant grandson, Lee Burkholder, for the past week while his mother, Mrs. Virgil Burkholder, is in Calgary taking eye treatments.

The Young People's Club held their meeting at the home of Shirley Frizzell on Wednesday, January 7th. The business part of the meeting started the evening and it was decided to hold a skating party, free to all on Wednesday, January 21st. Jake Wiebe and Anne and Arthur Davis joined the club. Contesters were enjoyed by all, and lunch was served by Shirley Frizzell and Miss Wolfe.

The C.G.T. held their meeting on Thursday, January 8th in the Cremona school and clothes for dolls were sewn.

Mr. Elmer Shantz and Jean of Red Deer were Cremona visitors Friday and Saturday. The Shantz's formerly lived at Old Cremona. We see that Don Shantz is bacheling in the Raynes house.

The Modern Woodmen held their monthly meeting in the Woodmen's lodge on Wednesday, January 7th. Cremona defeated Bowden on the latter's home ice Monday, January 5th by a score of 5-2.

The Cremona Juniors took the measure of the Elktion juniors by the same score, 5-2.

Shirley Frizzell and Grace Brown were Calgary visitors on Friday. Mr. and Mrs. Tommy Thompson and girls were Calgary visitors on Thursday last.

Correspondent The item "Miss Nola Waterstreet and Allen Frizzell were Didsbury visitors on Dec. 24th" should have read, "Miss Nola Waterstreet and Miss Shirley Frizzell were Didsbury visitors on Dec. 24th."

Money is a commodity that is a universal passport to any place except Heaven. It will purchase anything a person wants except Happiness.

CARD OF THANKS

As we are unable to thank you personally may we take this opportunity of thanking all those friends whose kindness and generous gifts have helped us so very much to replace the loss caused by the recent fire at our home.

SHIP OF HOPE

Beginning early in 1948, new Canadians to the number of 800 displaced persons and other immigrants will arrive in this country with each voyage of the Canadian Pacific Steamships' 16-knot diesel-electric liner Beaverline, seen above alongside her refitting berth at Sorel, Que. Formerly the German vessel Huacaran of the Hamburg-Amerika Line, she was captured, virtually undamaged, by Allied forces in a Norwegian fjord, where she had acted as repair and 'mother' ship to U-boats seeking their toll of shipping in the North Atlantic, and handed over to Canada as part reparations payment. Master of the Beaverline is Captain G.O. Bough, O.B.E., R.D., a Royal Canadian Navy veteran of the Battle of the Atlantic, who quite possibly tangled with some submarines which had been based alongside his new command.

'PIONEER' ANNOUNCES DISTRIBUTION OF FORTUITOUS PROFIT ON OATS AND BARLEY SOLD UNDER PRICE CEILINGS

All customers of 'Pioneer' Elevators are requested to call at their elevator and receive a cheque covering an additional payment on oats and barley delivered during the current crop season, between August 1st and October 21st, 1947, when price ceilings were in effect.

This payment is an interim distribution of the fortuitous profit made by the Company on oats and barley which it had on hand, and unsold, when price ceilings were removed on October 21st.

**This payment is 12 cents on oats and
10 cents on barley.**

Final payment will be made at a later date.

IT PAYS TO PULL TO THE 'PIONEER'

The government has also promised to make some adjustment to farmers on oats and barley delivered at ceiling prices between August 1st and October 21st, 1947. We trust they will take definite action to implement this promise in the near future.

THE OLD FAITH IN THE NEW WORLD

The new world is taking shape, an ugly shape. Charitably, patiently, justly, the democracies have striven to fulfil the trust of those who threw the torch to us. Never in history have free peoples made a nobler effort to enshrine the sacrifices of their fallen in permanent peace.

In unanimity and in deep conviction, good Canadians of all democratic parties have worked with the free nations to build a world in which peace and progress would bless mankind. Every means with

in their power has been employed in keeping faith with those who gave humanity another chance.

The cause is not lost. Charity, patience and justice never are vanquished. Some day they will regain humanity. Despite tyranny, greed, hate and cruelty, the virtues which have raised men above the animals will triumph over those who believe that men are only animals.

The new world is one in which good-will must bravely live the faith that brings true happiness to all who serve mankind; the faith that was raised to light and save the darkest world. —The Scene

FEED GRAIN SCARCITY

The feed grain situation in Canada is the tightest that it has been since 1941-42. The total supply of feed grains is estimated by the federal bureau of statistics at 11,840,000 tons for the whole Dominion, while the number of grain-consuming animal units is 17,925,000. This provides about 1,300 pounds of grain per animal, as against actual consumption of 1,400 pounds per head in 1946-47.

The poorer crops harvested in the prairie provinces in 1947 as compared with 1946 were responsible for the lesser supply of feed grains. Eastern Canada also had a very

NOTES FROM THE WEST

The A.F.U. held a whist drive at the home of Mr. and Mrs. Albert Krebs on Monday, January 5th. Eight tables were in play, honors going to Mrs. Emil Krebs and Mr. H. Hoesgood, while consolation prizes went to Mrs. L. Chandler and Mr. Alfred Cowitz.

The Cremona hockey team travelled to Bowden on January 5th, winning 5-2. At Olds on January 8th, the score was 5-5.

At a meeting at the rink on Wednesday evening it was decided to have a skating party each Tuesday evening. Ticket holders and donors will be admitted free, and others attending will be charged 15 cents. Weiners, buns and coffee will be sold and any money cleared will go towards the installation of lights next year.

The Elkton Willing Workers met at the home of Mrs. Gillies Sr. on Thursday with almost every member present. Owing to the resignation of Mrs. R. Befus, Mrs. A. L. Hogg was elected president for a two-year period, with Mrs. Arnold Hogg as vice president. Mrs. P. Luft will carry on as secretary-treasurer for another year, and Mrs. O. Blain and Mrs. J. Bagshaw are on the program committee. Officers are to hold positions for two years only.

It was decided to send \$10 to the "Save The Children" fund at Toronto. Also to hold a skating party for the children of the district at the local rink on Saturday, January 17th, when buns and weiners will be distributed free. It was also decided to hold a series of whist drives with half the proceeds going towards the Elkton rink.

It was planned to hold a social evening in the school some time in February and date and other particulars will be decided at the next meeting. This is not to be a card party, but will consist of bingo, games, etc., with no charge made except for a small sum to play bingo.

Blocks for a quilt were turned in and more work will be done. The next meeting will be held at the home of Mrs. Campbell Sr. on Thursday, February 12th.

Five tables of whist were played when neighbors surprised Mr. and Mrs. A.L. Hogg in their new home on Thursday, January 8th. After midnight a birthday cake, made and decorated by Miss Jean Krebs, was brought in, it being Mr. Hogg's birthday. "Happy Birthday" was sung and Mrs. Scott presented a gift of money with the suggestion that something be purchased for the home. Mr. Hogg thanked the friends and hoped they and others would come again.

Mrs. O. Krebs and family were Calgary visitors on Friday.

Mrs. P. Hoesgood, Mrs. D. Hoesgood and Mrs. Glen Evans spent Thursday in Calgary.

Mr. Hubert Papke accepted a cut on his cheek in the hockey at Olds, necessitating seven stitches. It would seem to be much fairer to both teams if a neutral referee handled the game, as two goals by the Cremona team were disallowed. This was a big disappointment for the boys as they are not sponsored by any organization and have to pay for their own transportation and medical care in case of injury.

Mr. and Mrs. C. Byrt and family, Mr. M. Russell, Mr. and Mrs. A.L. Hogg and Mr. and Mrs. A.A. Hogg were supper guests with Mrs. Banting and Laverne on Friday evening.

Mrs. K. Konechuh visited in Carstairs and Calgary last week.

Mr. and Mrs. C.S. Hogg were supper guests with Mr. and Mrs. R. Befus on Friday evening.

The Elkton senior boys played hockey against a pick-up team from farther east on the Elkton rink Saturday afternoon, winning 8-2.

Mr. and Mrs. Hollis Anderson, Inez Anderson, Mrs. O. Krebs and family and Mr. and Mrs. Albert Krebs visited with Mr. and Mrs. L. Krebs on Sunday.

Mr. and Mrs. M. Campbell Jr., Mr. and Mrs. R. Sutherland and Mr. and Mrs. Arnold Hogg were supper guests on Sunday with Mr. and Mrs. Vic Smyth of the Inverness district.

Mr. and Mrs. P. Luft were dinner guests with Mr. and Mrs. C.S. Hogg on Sunday.

Mr. and Mrs. M. Campbell Sr. were supper guests with Mr. and Mrs. A.L. Hogg.

poor crop and was relying on the west to a greater extent to provide required feed grains. From present indications, the Canadian carryover of feed grains on July 31, 1948, will be at a very low ebb.

CAUSE OF FARM FIRES

Defective chimneys and flues were the principal cause of house fires on farms in the 12 months ending

June, 1947. In that period some 8,000 farm fires occurred. It is estimated that the use of inflammable liquids such as coal oil and gasoline caused 900 fires.

INDIAN AFFAIRS BRANCH
EDUCATING 19,600 INDIANS

Its schools dotting the map of Canada from Aklavik in the Northwest Territories to Eskasoni in Nova Scotia, the Indian Affairs Branch of the Department of Mines and Resources is currently educating a total of 19,600 Indian children between the ages of seven and ties involved in administering the widely-scattered system of 271 day schools and 76 residential schools and in dealing with attendance problems which are aggravated by the nomadic tendencies of so many Indians, the Education Division of the Branch has produced amazing results among the native children. The Church of England, the United Church of Canada, the Roman Catholic Church and the Presbyterian Church co-operate with the Branch in the operation of residential schools, receiving assistance in the form of per capita grants.

A development in which considerable satisfaction is displayed has been thirty-six Indians who received their preliminary schooling with-

in the system return to it as teachers. At the present time four other Indians are in normal schools working toward teaching certificates.

Achievements of three Indian schools in different parts of the country indicate the value of the educational program. This year twenty graduates of the Shingwauk Residential School are attending high school at Sault Ste. Marie. Of three Indian pupils who graduated from the high school with first class honors last year, two have positions in business concerns and the other is a nurse-in-training. Seven other graduates with honors.

The Cadet Corps of the Leisler Residential School recently won the Grand Challenge Trophy in competition with all provincial army cadet corps in Saskatchewan, and the school at Mission, B.C., which has a high scholastic record, captured the Provincial Recreational Centres gymnastic team competition championship.

The courses of study laid down by the Provincial Departments of Education are followed within the various provinces in which schools

are located, and with the exception of British Columbia, where the Indian Affairs Branch has a District Inspector, regular inspections are made by provincial inspectors who report excellent progress being made in most of the schools.

BUT HE UNDERSTOOD

The artist was painting—sunset red, with blue streaks and green dots.

The old rustic, at a respectful distance, was watching.

"Ah," said the artist, looking up suddenly, "perhaps to you, too. Nature has opened her sky-pictures page by page. Have you seen the lambent flame of dawn leaping across the livid east; the red-stained, sulphurous islets floating in the sea of fire in the west; the ragged clouds at midnight, black as a raven's wing, blotting out the shuddering moon?"

"No," replied the rustic, shortly, "not since I signed the pledge."

FARM ACCOUNT BOOK
BIG AID IN MAKING OUT
INCOME TAX FORMS

Now available free to Canadian farmers at all post offices is one of the most remarkable publications ever devised by a government. It is a blank farm account book to help Canadian farmers keep track of their business the whole year round.

The new farm account book is a securely-bound 44-page volume, nine by twelve inches in size. Following an introduction there are 15 pages of information on farmer's income tax and 23 lined and headed blank pages on which he can list his transactions from week to week. The last section begins with receipts from the sale of crops and seeds and covers most other items handled by farmers—livestock, poultry, honey, hides, manure and a dozen other farm sales.

The next section deals with expenses for seeds, feeds, livestock, custom work, rent, supplies, wages and tools. There are blank columns for capital and revenue from stocks and bonds. The foreword explains how the farmer can calculate his "net worth" and determine what progress or lack of progress he has made during the year.

In a few minutes the farmer can put down his day's or week's transactions with a minimum of trouble. The new Farm Account Book can save many farmers money in that it can take the place of an expert. In fact to have a similar accounting system installed by an expert would be beyond the scope of most men of the land.

INCOME TAX INFORMATION

The 15 pages of farmer's income tax information which has the advantage of being official are in a question and answer form. In general, the theme is that all Canadians who benefit from the nation's vast resources and facilities should contribute to their upkeep and that graduated income tax is the fairest method known to obtain this revenue. The keynote stated on page seven, is fairness and decency.

In this spirit many of the questions show the farmer the best method of taking advantage of every exemption to which he is entitled. If he has difficulty, a district Income Tax office will advise him. If he is dissatisfied finally with decisions of local and national authorities, he is shown how to reach the independent Appeal Board.

Business men in towns and cities seek taxation and legal advice from the most highly qualified sources, in order to assure exemptions due to them are claimed. This of course is perfectly proper because the Income Tax Act has been economically sound, carefully states exemptions to prevent the tax burden falling oppressively at any one point on either individuals or business. Now farmers are given easily understood official advice to enable them to take advantage of their tax rights.

The introduction of the Farm Account Book gives some of the many reasons for Income Tax items like payments for veterans in two world wars, social services, family allowances and the beneficial works of several government departments.

Other questions and answers deal with direct taxation problems. These are sample questions:

Q—What about income tax anyway? What is the justification?

Q—What assurance have I that I will get fair play?

Q—Why may I claim \$100 for some of my children and \$300 for others?

Q—How much should I deduct for personal use of my automobile?

FEATURES OF THE BOOKLET

The farmer's income tax return is a six-page form which at first glance looks fairly complicated. The new Farm Account Books help in simplifying this by numbering its headings to agree with the numbers on the tax return itself. For instance, on one of the pages, devoted to expenses under which the farmer lists his payments of wages and board for hired help, he is referred directly to the exact spot where these items should be listed on his income tax return form. Similarly, each column of sales, expenses and other items are numbered to correspond with the items on the income tax return.

Another feature is the schedule of depreciation rates on page 14 where some 75 different items on the farm are listed with their correct maximum rate of depreciation. The farm is expected to last 40 years so it has a rate of 2 1/2 per cent per annum but the farmers truck is given a rate of 20 per cent or a life of 5 years.

The three-year average which commenced in 1946 is explained in

WILL SAVE TIME
The new Farm Account Book will be 1948's biggest and best giveaway. The most precious possession of the farmer is time. This book is laid out to save the farmer hours of time, temper and worry. It is simple and direct and at the end of the year the farmer should be able to tell at a glance whether or not he made money—and whether or not his income is taxable in view of the many exemptions explained to him in this guide.

ACCIDENTS HIGHER
ON PRAIRIE FARMS

A comparison of the percentage distribution of farm accidents and farm population shows that not only do the greatest number of accidents occur in the Prairie Provinces, but the relative frequency of accidents is also greatest there, according to a survey of non-fatal accidents on Canadian farms during the 12 months ended June 1, 1947, made by the Dominion Bureau of Statistics. The Province of Quebec is relatively the safest province. The Prairies, with about one-third of Canada's farming population, had 60 per cent of the accidents. This is no doubt accounted for by the greater mechanization of agriculture in the West, and the added risk involved in working with tractors and complex agricultural machinery.

IRRIGATION PLAN

A start may be made during the coming year in providing water storage from Berry Creek which runs south of Hanna into the Red Deer River. Water thus stored would be available to irrigate 40 acres in each of 300 quarter sections. The project was recently outlined by E. L. Gray, superintendent of water development for the Prairie Farmers' Rehabilitation Act, at a meeting of the East Central Irrigation Association held in Hanna. Mr. Gray said the project would link up with the Red Deer river diversion scheme. A meeting of farmers located in the proposed irrigation area will be held at Cessford early in 1948, when an organization will be set up to further the project. It will be 1949 before the water will be available for irrigation.

ABOUT
IMPORT
CONTROL

MOST of the countries which are Canada's regular customers have not recovered sufficiently from the war to pay, in the normal way, for all the goods they need, despite extensive help from this and other countries. Nor are they able to send in enough of their goods to balance account—or to pay us in the kind of money which we, in Canada, can use to buy goods in other countries.

At the same time, Canada has been buying more goods than ever before from the United States and other countries demanding U.S. dollars. This is because these goods were not obtainable elsewhere and because of demand pent-up during the war.

Buying from the United States or U.S. dollar areas must, therefore, be temporarily reduced until our trading again becomes normal.

To meet this emergency, purchase of goods and services or expenditures for travel, which must be paid for with U.S. dollars, are now subject to control.

IF YOU ARE AN IMPORTER OF CONSUMER GOODS and wish to find out what goods are (1) prohibited, (2) subject to quota, or (3) unaffected by controls, see or write your nearest Collector of Customs and Excise.

IF YOU WISH TO IMPORT GOODS SUBJECT TO QUOTA and wish to establish your quota authorization to import or need special information, consult your nearest Collector of Customs and Excise. Quota application forms (E.C. 1) and instructions for completing them, are available at all Customs Offices. These applications must be filed with the Collector of Customs and Excise.

IF YOU WISH INFORMATION ON THE AMOUNT OF YOUR QUOTA. After your application has been filed with your Collector of Customs and Excise, all correspondence about the establishment of quotas or cases of exceptional hardship through import prohibitions should be directed to Emergency Import Control Division, Department of Finance, 490 Sussex Street, Ottawa. Quotas are issued on a quarterly basis and any unused portion may be carried over into the following quarter.

IF YOU ARE AN IMPORTER OF PRODUCTION PARTS, STRUCTURAL STEEL, stone, machinery or other capital goods or automobiles, and wish to know the import restrictions in these classifications, write or see Emergency Import Control Division (Capital Goods), Department of Reconstruction and Supply, 385 Wellington Street, Ottawa.

IF YOU INTEND TO TRAVEL OUTSIDE CANADA and wish to know about foreign exchange available for this purpose, consult any bank or the Foreign Exchange Control Board at Ottawa, Montreal, Toronto, Windsor, Vancouver. If you wish information about personal purchases of goods made during travel outside Canada, consult the nearest Collector of Customs and Excise before departure.

IF YOU ARE A MANUFACTURER, WHOLESALE OR RETAILER and wish information about excise taxes, or about the list of goods to which they apply, consult the nearest Collector of Customs and Excise.

IF YOU NEED OTHER SOURCES OF IMPORTS consult the Foreign Trade Service, Department of Trade and Commerce (Import Division), Ottawa, regarding your supply problems arising from import quota restrictions. Through the Trade Commissioner Service, the Import Division is endeavouring to arrange increased supplies from the United Kingdom and other "non-scheduled" countries.

IF YOU ARE A HOUSEWIFE and wish information on available alternate foods which have comparable nutritional values to those now prohibited or subject to quota, informational material which has been prepared by the Nutrition Division of the Department of National Health and Welfare may be secured from your Provincial Health Department or local health unit.

The administration of these emergency import controls is the responsibility of various departments of the Government. The above information is given to aid Canadian citizens in complying with the new import control regulations with a minimum of inconvenience in their business and personal affairs.

CAR MANUFACTURERS AND THE RUBBER MANUFACTURERS ASSOCIATION SAY WHEEL BALANCE IS IMPORTANT

Because OUT OF BALANCE WHEELS cause

1. Excessive body and chassis strains.
2. Shimmy and Tramp.
3. Uneven tire wear resulting in premature failure.
4. Increased gas consumption — decrease in average speed.
5. Abnormal wear of wheel bearings, bushings and king pins.
6. Wheel misalignment because of excessive vibrations.
7. Rough riding and danger at high speed.

HERE'S WHY YOUR WHEELS NEED BALANCING
"A wheel out of balance just ONE OUNCE at the tread ... develops 12 pounds of vibration on the road at 50 m.p.h."

STATIC UNBALANCE

Static unbalance is a condition, exists when the weight of a wheel assembly is so distributed on its own spindle or shaft, that the wheel will not remain at rest when stopped in any position.

DYNAMIC UNBALANCE

Dynamic unbalance is a condition, independent of static, that exists when the weight of a revolving wheel is so distributed that vibration is present regardless of the speed of rotation.

BALANCE-MASTER corrects these faults

This modern balance machine assures you of quickest and most sensitive balance attainable.

The exact amount of weight required in ounces and the exact location also which side of wheel to place weights, eliminating all guesswork. Wheels on all new cars should be kept in balance to prevent the resulting damage to the entire front end mechanism.

The Chicken Pox has been visiting a home here and there throughout the East, and also mumps.

Mr. George Shells left Wednesday of this week for Hanna, where he intends to remain for several weeks while taking chiropractic treatments. George received a great deal of help from these treatments last winter.

Another fire this week caused destruction of the home of Mr. and Mrs. Walter Helwick. Mrs. S. Helwick had just returned from the Olds hospital and was still in bed at the time. A few of the household effects were saved. There are seven children in the family ranging from a small baby to a child of fourteen. A shower for the family will be held at the home of Mr. Fred Metz on Friday evening and all are cordially invited to bring or send articles such as clothing, canned fruit, vegetables, blankets or other bedding.

The shower held last Monday at the home of Mrs. Gooding for Mr. and Mrs. Mervin Hall was well attended by friends and neighbors.

Mrs. J. Sick left a week ago Wednesday to spend a month with her daughter in Banff and will then continue on to Vancouver to spend the rest of the winter with her only son.

**CROP ACREAGES SAME
IN '48 AS '47**

It was decided at the Dominion Provincial Agricultural Conference held in Ottawa the first week of December and attended by representatives of the Dominion and Provincial Departments of Agriculture and Farm Producer Organizations headed by the Canadian Federation of Agriculture that the acreages of all field crops should be the same in 1948 as in 1947.

BURNSIDE NEWS NOTES

The annual meeting of the ratepayers of Burnside School District No. 828 will be held in the school at 2 p.m. on Saturday, January 17.

Mrs. Helwick had the misfortune to be burned out and it is almost certain that she will get some help from her many friends.

Miss Elliott, son of Mr. and Mrs. Sam Elliott, was thrown from his horse last week and received numerous bruises, but was not seriously injured.

Bill Hughes is sporting a new Monarch car.

Mr. and Mrs. Lloyd Soderberg were recent visitors in the district and stayed for a few days with Mr. and Mrs. Walter McCulloch.

Mr. and Mrs. Walter McCulloch returned last week from a visit to Edmonton, and while there they flew over the Leduc oil fields. This week Walter is on the sick list.

Mrs. Harry Richardson expects to leave soon for Los Angeles to visit with her sister, Mrs. Tony Cross. Old timers will remember Mrs. Gross, the former Miss Eva Catenaugh, as the Burnside school teacher in 1919 and 1920.

Annie and Lila McCulloch, daughters of Mr. and Mrs. J.C. McCulloch, were patients in the Didsbury hospital last week, where both girls underwent tonsil operations.

Mrs. Chas. Mardon made a trip to Calgary last week.

Bobby Bittner is progressing favorably after an operation in the Didsbury hospital last week.

All neighbors in the Burnside district wish "Daddy" Ahlgren, who is a patient in the Didsbury hospital, a speedy recovery.

Ted Wheel, Walter Love, and Dona and Doreen Anderson were supper guests of Mr. and Mrs. A.E. Thompson last Friday evening.

Mr. and Mrs. L. Cipperley and Mr. and Mrs. A.E. Thompson were guests at the P. Schumaker home on Thursday evening.

Sandy Brander is having a brush cutting outfit clear brush from part of his land and says that anyone wanting wood may have it by picking it up.

WESTERDALE NEWS NOTES

A delightful evening was spent at the home of Mr. and Mrs. F.J. Jackson last Wednesday when the Westerdale Ladies' Club held their first whist party of the winter. Thirty-six people completed nine tables of whist with top honors going to Mrs. F.J. Jackson and Mr. J.P. Schrader. Mrs. D. Landeen won the ladies' consolation with a lucky cut of the cards, having tied with Mrs. E. Krebs. Mr. W. Herbert also won the men's consolation by the cutting of cards after tying with Mr. S. Morphy. Lunch was served by the hostesses, Mrs. H. Jackson and Mrs. F. Jackson, assisted by Mrs. L.N. Jones who provided a real treat of ice cream. The next whist party will be held at the home of Mr. and Mrs. A. Buckley on Wednesday, January 21st.

We understand the Young People's Club are holding a dance in the Westerdale Hall on January 16th, with Halliday's orchestra supplying the music.

The Westerdale junior hockey team travelled to Didsbury last Saturday evening to play the Didsbury juniors and marked up a 7-4 victory over that aggregation. Arthur Jackson received facial injuries in the third period and had to be relieved of goal duties by Jim Campbell.

SERVICES AT BERGTHAL

An English service of the Bergthal Mennonite Young People will be held in the Bergthal church on Sunday, January 18th, at 8 p.m. Rev. J.G. Neufeld will be the speaker and special singing will be supplied by the local young people. All are invited to attend the service.

U.S. WINTER WHEAT CROP

A tentative estimate of 838,705,000 bushels yield for the 1948 winter wheat crop has been issued by the United States department of agriculture. This is a decrease of 238,295,000 bushels from the 1947 winter wheat crop of 1,067,000,000 bushels.

Assuming an average spring wheat crop of 236 million bushels total wheat production in the United States may in 1948 again be in excess of a billion bushels. The 1947 total production was 1,364,919,000 bushels.

PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvas for news, but it is always glad to have it phoned or handed in. We want all the news. We are just as pleased to mention your guests or your visit as to mention doings of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

DESCENT

Three monkeys sat in a coconut tree.
Discussing things as they're said to be.
Said one to the others: "Now listen, you two,
There's a certain rumor that can't be true.
That man descended from our noble race!
The very idea is a disgrace!
No monkey ever deserted his wife,
Lured her babies and ruined her life.
And you're never known a mother monk
To leave her babies with others to bunk,
Or pass them on from one to another.
Till they scarcely know who is their mother.
And another thing you'll never see
A monk build a fence round a coconut tree.
And let the coconuts go to waste.
Forbidding all other monkeys a taste.
Why, if I put a fence round a tree
Starvation would force you to steal from me.
Here's another thing a monk won't do—
Go out at night and get on a stew
Or use a gun, or club or knife
To take some other monkey's life.
Yes, man descended, the ornery cuss,
But brother, he didn't descend from us!"

HERBERT PREVOST, 62, DIES IN CALGARY

Word was received in Didsbury last week of the death of Herbert Henry Prevost, father of Bert Prevost of Didsbury, who died in Calgary on Wednesday, January 7th.

Mr. Prevost, who was fairly well known in Didsbury, was born in Newcastle, Newcastle-on-Tyne, England, and came to Canada and to Calgary in 1908. He farmed west of Olds from 1915 to 1926, and then moved to Calgary where he became proprietor of the Calgary Night Patrol Co., and has owned and operated the protective business since.

Predeceased by his wife, Beatrice Alice, in 1939, Mr. Prevost is survived by two sons, A.E. Prevost of Didsbury, and Roy Henry Prevost of Calgary; his mother, Mrs. E. Prevost; two brothers, Victor E. Calgary, and William, Roberts Creek B.C.; one sister, Mrs. D.J. King, of Calgary.

Requiem mass was celebrated in St. Mary's cathedral, Calgary, on Saturday, Jan. 10th, and interment followed in St. Mary's cemetery, Calgary.

The primitive Roman year began with March, when October was the eighth month.
